

# Sensory Response Systems

Ryan Jordan [ma701rj@gold.ac.uk](mailto:ma701rj@gold.ac.uk) <http://doc.gold.ac.uk/~ma701rj>  
Goldsmiths Digital Studios, Department of Computing, Goldsmiths  
College, London, UK.

- **Sensory Response Systems** explores the applications of technology and the body for performing live computer sound and music.
- Major areas of interest are **possession-trance and ritual; tekkno, noise and hypnosis; physical movement to control sound/lights/robotics; 3D screens; and altered states of consciousness.**
